

EDUCATIONAL PASS

Dear Guardians!
Dear Parents!

We are very pleased to announce the participation of our schools in the pilot project “Educational Pass.” Based on the “Success Factors” of the “Erasmus Project,” the project has been developed by the “chance Agentur gGmbH.” Thankfully, the project will be funded by the Bundeskanzleramt/Integrationsfond and the Land Salzburg.

BENEFIT FROM THE EDUCATIONAL PASS!

WHAT is the “Educational Pass?”

- ✓ Free!
- ✓ Well-structured and constructive concept for all school levels!
- ✓ Getting to know existing support services!
- ✓ Door opener for issues determining the future!
- ✓ Professional support in all matters through existing institutions!
- ✓ Prevention of violence, mobbing, anxiety, stress, addiction, online threats, parallel societies!
- ✓ Parents are supported in their educational and training obligations!
- ✓ Prevention of school and apprenticeship drop out!
- ✓ Promotion of equality and integration!
- ✓ Communication of values!
- ✓ Networking of parents with each other (e. g. Parent Buddy System!)
- ✓ If required: Counseling, coaching, mental-, learning-, speech training, for FREE!

1 VS	Challenges in school life!?	Home based support of parents, successful parent/school relationship, counseling services in the province, seeing special educational needs as a chance, reading- and spelling assistance, introduction to the Parent Buddy System
2 VS	Successful learning and strengthening of personality!?	Learning types – learning atmosphere, learning tips, nutrition, non-violent education, transferring and training personal responsibility, boys and girls are equal
3 VS	Who am I, what are my abilities!?	Strengthening strengths, dealing with pressure and stress – accepting offers of support
4 VS	Regional counseling services for a school career!?	Elementary school time ends, which school, which educational path fits my child, where can my child use its strengths optimally?!
1 MS	New school, new challenges!?	“Manners are in-rules” for a successful together, promoting educational maturity, introduction to Buddy- and Parent Buddy System
2 MS	Prevention – effectively confronting anxieties and worries!?	Violence, mobbing, media consumption, addiction, learning disabilities, lack of concentration, stress, pressure, fear
3 MS	Knowledge helps: Parents as career guidance helpers!?	School career counseling, there are no typical girls’ or boys’ jobs, apprenticeships from A-Z, support services, tendencies, strengths, weaknesses
4 MS	Make your child “job application fit”!?	Presentation skills as door opener into the professional life, offers of support
PTS	Success factors for completing an apprenticeship!?	Employers want lifelong learning

Which BENEFITS does the “Educational Pass” provide?

- ✓ Promotion of Emotional Health!
- ✓ Preparation for entrance into the job market!
- ✓ Increase of educational success!
- ✓ Increase of economic self-sustainability (independence)!
- ✓ Accompanying and in-depth support services for FREE!

Which BENEFITS does the “Educational Pass” provide for Guardians/Parents?

- ✓ Time efficient: “Only” one Parents’ Evening per grade level!
- ✓ Straight forward: Parents’ Evening partly in form of Webinar (online with mobile phone or PC)!
- ✓ Helpful: Easier and better cooperation (of parents) with the school!
- ✓ Comprehensible: With native speakers in your language!
- ✓ Reassuring: Good and calm conscience, to try and achieve “the best” for your child!
- ✓ Accompanying: In-depth individual support services free of charge!

TAKE ADVANTAGE OF YOUR CHANCE & CREATE YOUR FUTURE (Successfully!)

Additional relevant Information and details will be sent to you in time! In this spirit, I hope for numerous participations, thank you very much, and remain with kind regards
